

Amendments to 206 Cup Rules for 2017 TKA Series

Page 4: Race Format and Scoring:

Starting Order for Features: Feature One's starting order will be determined by qualifying. Feature Two's starting order will be set by the Feature One's finishing order. If a split class, competitors will remain in the same group for both their Feature races.

Page 5: Rain / Incomplete Event Points:

Any classes that do not complete the second round of Features will be awarded rain points. Rain points are defined as 175 points plus a point for each legal entrant in the class.

Page 5: Divisional Championship

Disregard "Divisional Championship Rankings", "Grand Championship Rankings", and "Grand Championship".

Page 8: Race Classes

Disregard 206 Cup Race Classes and "Refer back to the TKA Class Structures" on Website

Page 10: Wheels and Tire

Disregard Approved Tire section and "Refer back to the TKA Tire Requirements" on Website

Page 12: Kart Ballast:

Attachment points: Weight may not be added to the REAR bumper or nerf bars. If brackets are used to mount ballast, it too must be double nutted or safety wired. Driver caught with ballast on their person will be subject to immediate disqualification or suspension.

Page 12: Transponders

Transponders will be provided for rental from TKA and may not be mounted further forward than 9" behind the center line of the king pin, measured from the top of the bolt.
